THE BIG READ

Lloyd Cele tells us what he's reading and gives us the scoop on his upcoming book, *The Dream of an Idol*.

Jet Club and Lloyd Cele are giving away five copies of his book, *The Dream of an Idol*. Use the key word 'Idol' and see page 105 for details of how to enter Jet Club competitions.

WHAT BOOK ARE YOU READING?

It's called *The Path to Success is Paved With Positive Thinking*, by Wally Amos and Stu Glauberman.

IS IT A GOOD READ?

It helps you to turn every event in your life into something positive. For instance, when I was the runner-up of *Idols* I could have taken it as a loss, but this book has made me see it as a positive experience that's opened up so many doors to my singing career. Everyone should be able to look at his or her life in this way. It makes such a difference!

YOU HAVE YOUR OWN BOOK COMING OUT?

Yes, it's titled *The Dream of an Idol*. It documents my life, from being a rebellious teenager to achieving my dream. It also speaks of my journey as a father and husband, and has some tell-all juice from behind-the-scenes of *Idols* Season 6! [Laughs]
