

בלילה

אולי בקרוב, אולי אחרי החגים מי יודע, מי יודע אולי במקרה כשכבר לא תצפה מי יודע, מי יודע בדלת הזו או מחוץ לחלון עוד הכול מחכה בבוקר אחד או בערב כמו זה אתה בטח תראה

ובלילה, בלילה

בלילה, בלילה

לחכות לתשובות

מי יודע, מי יודע

מי יודע, מי יודע

אתה בטח תראה

אם תשאל אז הלב יענה

אז הכול יחכה

בשעות הקטנות

התפילות הפשוטות מבקשות

כדי למצוא עוד סיבה לקוות

רגע לפני שבכלל לא תרצה

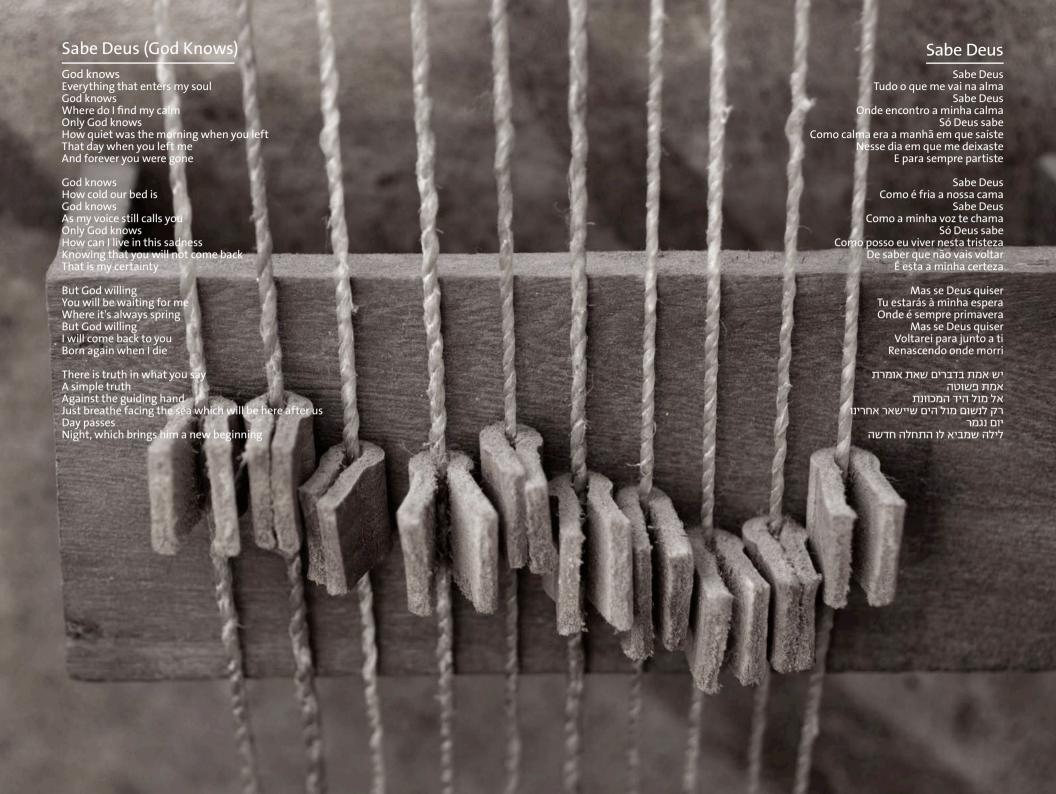

ולפני שתגיד שכבר לא משנה

ואם הטעם קצת מר ושורף בחזה

אתה כאן, יש עוד זמן והכול ישתנה

ברגע חולף או בגשם שוטף מי יודע, מי יודע כשכולם ישנים אף אחד לא רואה מי יודע, מי יודע וגם אם נדמה שהיה ונגמר עוד הכול מחכה גם אם רע וקשה וקרוב לקצה אתה בטח תראה אם תשאל אז הלב יענה And at night, at night In the early hours Simple prayers are pleading At night, at night Waiting for answers To find another reason to hope

A moment before you don't even want Who knows, who knows
And before you say
It doesn't matter anymore
Who knows, who knows
And if the taste is a little bitter
And it burns the chest
Then everything will wait
You are here, there's still time
And everything will change
You will definitely see
If you ask, your heart will answer

انا انا وانت انت Ana Ana wa Enta Enta (I Am What I Am)

You are what you are And I am what I am خليك انت Be yourself And let me be me

كل واحد ودنياته Each of us and their world Living their lives بقرر حیاته You are free Until your freedom limits me

انت انت انت انت انت And I am what I am Be yourself خليك انت واتركني انت انت (كون انت) And let me be me You are what you are (be yourself) انا انا (بکون انا) ما And I am what I am (I'll be me) خلیك انت (کون انا) المحلا المحل المحلا المحل المحلا المحلا المحلا المحلا المحلا المحلا المحلا المحلا المحل المحلا المحل المحلا المحل المحلا المحلا المحل المح خليك أنت (كون انت)

Stop judging me وحاجي تعيرني And trying to cha بدك تغيرني I would be doing انا والله عال العال And trying to change me I would be doing really well الا أذا بتقيد فيي If you only stop limiting me

خليهبالاعتبار Keep it in mind انه ولدنا احرار We are all born free we are both just human beings.

Who want to exist

Ad She'Ein Yoter Le'an (Until There's Nowhere Left)

Dreams such as these which are only dreamt from a distance To die out of longing for you Dreams such as these wake me suddenly Leaving everything and searching the town Dreams such as these - pain that will not let go Just to hold on all night until the next morning Dreams such as these which fall out of time Everything that is already not here, everything that is not yet there Dreams such as these – time brings no comfort Travel until there is no end, travel until there's nowhere left Dreams such as these – the big sea of sadness Sail in it again, drown again in it every day

עד שאין יותר לאן

חלומות כאלה שחולמים רק מרחוק . למות מתוך געגועים אלייך חלומות כאלה מעירים אותי פתאום עוזב הכול ומחפש בכל העיר חלומות כאלה – הכאב שלא מרפה רק להחזיק את כל הלילה עד הבוקר אחרי חלומות כאלה שנופלים מחוץ לזמן כל מה שכבר לא פה, כל מה שעוד לא שם חלומות כאלה – אין שום נחמה בזמן . לנסוע עד אין סוף, לנסוע עד שאין יותר לאן חלומות כאלה – ים העצב הגדול שוב להפליג בו, שוב לטבוע בכל יום

Detrás De Mi Alma (Behind My Soul)

Perhaps you can't learn To see what's hidden in my eyes Perhaps you don't understand the reason Of so many starry nights

Perhaps you can't understand Perhaps you just can't understand And see what's hidden behind my soul To feel what's hidden behind my soul

Perhaps you don't want to try Perhaps you can't hear If you don't grab my words If my signal is not strong enough

Perhaps you can't decipher Where my smile is hidden Perhaps you can't invent The glow of a caress

Perhaps you can't understand Perhaps you just can't understand And see what's hidden behind my soul To feel what's hidden behind my soul

Maybe you can't and won't even try to know what it is inside of me And the truth is it does not matter the time it takes you to know who I really am If in one second, in one hug you are always able to decipher my soul What if, once in a while, you miss a sign

Detrás De Mi Alma

Quizás no logres aprender A ver qué esconde mi mirada Quizás no entiendas el porqué De tantas noches estrelladas

Quizás no alcances a entender Quizás no puedas entender y ver qué escondo detrás de mi alma Sentir qué escondo detrás de mi alma

> Quizás no quieras intentar Quizás no alcances a escuchar Si no arrebatas mis palabras Si no te alcanza esta señal

> Quizás no logres decifrar Dónde se esconde mi sonrisa Quizás no alcances a inventar El resplandor de una caricia

Quizás no alcances a entender Quizás no puedas entender y ver qué escondo detrás de mi alma Sentir qué escondo detrás de mi alma

Tal vez no logres y no intentes saber lo que hay en mi interior Y la verdad no importa el tiempo y lo que tardes en saber quién soy Si en un segundo, en un abrazo tu logras siempre el alma decifrar Oué importa si de vez en cuando se escapa una señal

Im Ha'ita Ro'eh (If You Would Have Seen)

And the truth is that I no longer pine A whole life followed on I learned to fight I also learned to give way

And the truth is that for ages I no longer think Of what could have been and if there was more I learned to calm down To give again, to receive again

If you would have seen me now You would certainly have been proud of me Maybe you would have been less ashamed of me You would have seen that now I am already whole

And the truth is that now I no longer remember Where the time has passed and disappeared to I have learned to cling on To forget everyone

אם היית רואה

והאמת היא שכבר לא מתגעגעת חיים שלמים הרי כבר באו אחרי למדתי להילחם למדתי גם לוותר

והאמת היא שמזמן כבר לא חושבת על מה היה אפשר ואם היה יותר למדתי להירגע שוב לתת, שוב לקבל

אם היית רואה אותי עכשיו היית בטח גאה בי אולי היית פחות מתבייש בי היית רואה שאני עכשיו כבר שלמה

והאמת היא שעכשיו כבר לא זוכרת לאן הזמן הזה עבר ונעלם למדתי להיאחז לשכוח מכולם
